

Analyst/Asset Manager

Entrepreneurial UK Property Company based in Central London UK

Competitive salary

Endurance Land are seeking an analyst/asset manager to join their entrepreneurial team; reporting directly to the CEO.

EL are a property investment and development company, primarily focused on the acquisition of buildings in Central London requiring refurbishment or redevelopment in the short to medium term. EL currently manage a portfolio with a GDV in excess of £1bn.

We are seeking a personable, driven individual who is looking to join a dynamic and passionate team of professionals.

The successful candidate will ideally be a recently qualified MRICS surveyor. They will have a proven background in valuation work and ideally some asset management experience. Strong cash flow analysis and Microsoft Excel skills, as well as a robust understanding of the fundamental aspects of asset management and property investment, are essential.

Job description:

- Working autonomously as well as part of a competent team.
- Assisting with the sourcing and analyzing of new investment/development opportunities
- Preparing and implementing value add business plans.
- Ensuring best practice at all levels with an understanding of corporate responsibility and the importance of being a team player.

Competitive package available for the right candidate; please reply with your CV together with a cover letter containing details of your current remuneration and suitability for the role to: oh@enduranceland.com

Closing date of 15th September 2019.
